

Snow and Ice Control Update

Last updated March 14, 2012 8:01 AM

There are no snow and ice concerns evident at this time. Updates will be posted as conditions change.

See Delta's [Snow and Ice Removal](#) webpage for information on snow clearing response priorities, maps and other related information.

Please call (604) 952-3820 for recorded updates on Delta's snow and ice control operations.
