

Tree Removal Advisory

Scheduled Tree Removals - last updated June 21, 2010

Following is a list of scheduled tree removals around Delta. For further details and up-to-date information, please call Delta's Community Planning & Development Department at (604) 946-3380.

Location	Description of Work
5085 48 Avenue, Ladner	Removal of a red oak tree from the municipal boulevard of 48 Avenue. The tree has rooted under the sidewalk onto private property at 5085 48 Avenue. The re-development of the site, Johnny's Store, will impact the critical root zone of the tree and based on the site configuration and proposed construction, the tree must be removed. For more information, view the memorandum to Mayor & Council from the Director of Community Planning & Development.
