For immediate release – August 11, 2011

Mayor Lois E. Jackson, Delta Council and the Heritage Advisory Commission are pleased to announce Allyson Wollin of South Delta Secondary School, as the recipient of the 2011 Heritage Commission Scholarship. Allyson's recipe book entitled *Flavours of the Earth*, focuses on revitalizing urban farming and living sustainably through local agriculture; noting sustainable agriculture has played a fundamental role in Delta's history.

Tyler Pentland of Delta Secondary School received an honourable mention for his photo collage and commentary titled *The Heritage of Music*.

The Delta Heritage Commission Scholarship is awarded annually to a graduating Delta secondary school student in an effort to encourage students who display an interest in local or regional heritage through the development of an original piece of work. This \$750 scholarship is applied to the recipient's post-secondary studies.

Mayor Lois E. Jackson will be presenting the award certificate to Allyson Wollin at the August 15th Regular Meeting at 7:00 pm in the Council Chambers at Delta Municipal Hall. We congratulate Allyson on a job well done and look forward to next year's submissions.
