

*... a great place to live, work & play*

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The Corporation of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

## SENIOR PLAN CHECKER

In this regular full-time position, you will focus on the provision of an effective plan checking service to ensure that proposed building projects meet the design and safety standards and requirements of the municipality and are processed in a timely manner. Your expertise in building construction and technology will be paramount as you examine permit applications related to single family, multi-family, commercial, industrial and institutional buildings, which will include reviewing applications for compliance with the BC Building Code, National Fire code, municipal regulations and bylaws. Drawing on your customer service skills, you will provide guidance and information to the public to facilitate the processing of building permits/applications.

You have a diploma or certificate in Building Technology, preferably supplemented by the BOABC Level 3 certification, plus considerable recent related experience, preferably in a municipal setting.

A copy of the job description can be found at [www.corp.delta.bc.ca](http://www.corp.delta.bc.ca)

The Corporation of Delta provides a competitive salary (\$33.14 - \$39.11/hour) and an excellent benefits package including Municipal Pension Plan as well as an earned-days-off system (9-day fortnight). Interested applicants are requested to submit Delta's Application Form (available on our website or by calling 604.946.3246), quoting competition number **99/11ex** by **January 6, 2012**.

We thank all applicants for their interest; only those under consideration will be contacted. Preferred candidates will be required to complete a criminal records check.
