

... a great place to live, work & play

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The Corporation of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

MANAGER OF TRANSPORTATION

In this senior management position, you will lead a technical team conducting transportation planning, traffic calming, traffic management, road safety engineering, traffic operations and capital programming for transportation infrastructure in the Municipality. You will act as the liaison to other departments and external agencies on community transportation planning issues, studies and projects. Community consultation and communication are significant activities for this position.

Your credentials will include 10+ years of transportation engineering experience and registration (or eligibility for registration) with the Association of Professional Engineers and Geoscientists of British Columbia, or a combination of qualifications, education and experience suitable for the position. You are a self-motivated team player with excellent interpersonal, organizational and written/verbal communication skills. A valid BC Drivers' Licence is required. Familiarity with Greater Vancouver regional transportation planning is highly desirable.

The Corporation of Delta provides a competitive salary (\$98,044 - \$116,919/annum, plus 4% January 1, 2011) and an excellent benefits package including Municipal Pension Plan as well as an earned-days-off system. Interested applicants are requested to submit Delta's Application Form (available on our website or by calling 604.946.3246), quoting competition number **69/10** by **September 3, 2010**.

We thank all applicants for their interest; only those under consideration will be contacted. Preferred candidates will be required to complete a criminal records check.
